## ASSEMBLY INSTRUCTIONS

Thank you for purchasing Forever Redwood patio furniture. Forever Redwood is built by Old-Growth Again Restoration Forestry (OGA). OGA is dedicated to restoration forestry. Sales of patio furniture finance our restoration work in California redwood forestlands.

**Tools required:** a driller.

The parts that go together have the same numbers written next to the predrilled holes they attach to. Align the parts with the numbers as shown for ease of reference.

**STEP 1:** Attach legs to the support, with two Deck screws (3" x #8). (Match up the numbers to attach two parts together).

**STEP 2:** Attach the braces to the support, with a Deck screw (2 ½" x #8). Match up the numbers to attach two parts together.  
*Repeat all the process for shorter braces on the top.*

Thank you. If you have any questions, please call or email us.
