ASSEMBLY INSTRUCTIONS

Thank you for purchasing Forever Redwood patio furniture. Forever Redwood is built by Old-Growth Again Restoration Forestry (OGA). OGA is dedicated to restoration forestry. Sales of patio furniture finance our restoration work in California redwood forestlands.

The parts that go together have the same numbers written next to the predrilled holes they attach to. Align the parts with the numbers as shown for ease of reference

Tools required: ½-inch ratchet and a mallet or small hammer.

Step 1: Attach legs to tabletop with two carriage bolt per leg. On each leg you'll find a number written next to the holes. Match this number to the number written next to the holes on the interior of the table. Tap in the 4 ½ inch carriage bolts from the outside edge into the 2 holes to attach the leg and tabletop. Tap the bolts in all the way, then insert the washer and nut and tighten with a ½- inch ratchet.

You are finished. Enjoy!
